Resource Management issues

- *Resource Management Act (1991)*
- Section 6(e) of the Act requires the applicant to provide for the recognition of the relationship of Maori and their culture and traditions with their ancestral lands, water, sites, wahi tapu and other taonga.

Resource Management issues

- Section 7(a) requires that as a matter of national importance regard be had for kaitiakitanga – defined in the Act as meaning “... *the exercise of guardianship; and in relation to a resource, includes the ethic of stewardship based on the nature of the resource itself.*”

Resource Management issues

- Section 8 requires that the principles of the Treaty of Waitangi be taken into account.

Resource Management issues

- Subsequent amendments to the Act:
- Section 6(f) requires the protection of historic heritage from inappropriate subdivision, use, and development.
- Section 6(g) requires the protection of recognised customary activities.
